- Have an **AMAZING** weekend meeting new friends and hanging out with your favorite Southwoods staff and camp buddies!

❄ The Trip ❄

The Winter Weekend will begin with a Friday afternoon departure for the Great Escape Lodge on a **Deluxe Video Motor Coach**(transportation information on the back). Upon our arrival, campers will jump right into swim suits and start their water-park fun. After an evening of slipping and sliding, we will enjoy a special evening snack before heading to our rooms for the night.

Saturday, campers will be able to explore the indoor water-park of the lodge: sliding down the Snow Shoe Falls tube slides, body boarding on the Boogie Bear Surf, tubing down the Tak-it-Eesi Creek adventure river and more. After a morning at the park, we will load up and head out to see the frozen tundra on Paradox Lake that is Southwoods in the winter for an afternoon of sledding and tubing on the hills at camp. That's right! We will be playing in over 3 feet of snow on the bunkline! Then back to the lodge for dinner and more water-park fun before bed.

On Sunday, after a morning of more water-park fun, we will pack up and leave the lodge to to bowl a few frames before heading back for home. What an action packed weekend to have with camp friends, new and old!

MEALS: Campers will need to bring a bag dinner for the ride on Friday evening and money for lunches on Saturday and Sunday. We suggest \$40. All other meals will be provided by Southwoods.

OPTIONAL SATURDAY SKI TRIP

For campers who want to tackle the slopes of Gore Mountain, we have an optional ski trip on Saturday. **All skiers must have an ability level of intermediate or above to join the optional ski trip.**

The bus will depart on Saturday morning and the ski group will meet up with the rest of the Southwoods crew in the afternoon as we make our way up to see camp. Ski and snowboard rentals are available at the mountain, however **we strongly urge families to rent equipment prior to the trip.**
