Dear Campers and Parents:

We are excited to tell you about the Southwoods Horseback Riding program, which takes place at the Circle B Ranch, just a few minutes away from camp. The ranch is on 25 acres and its corrals, stables, trails and indoor riding rink are well kept and rider-friendly. Riders learn about horses through both riding and groundwork. They are matched with well-trained horses and placed in groups according to their ability.

Owner Chris Boggia has been working with horses his entire life. Classes will offer orientation, grooming, saddling, developing balance in the saddle, steering, trotting, cantering, trail and field riding and much more. The nature of the riding will depend upon the ability and experience of the rider.

Each class is two hours long and each rider has his or her own horse for the duration. The program is designed for a minimum of three classes. You may sign up for three or six classes. Due to the fact that we use an outside vendor, refunds are not available once classes have started. If space is available, you may add additional classes during the summer.

All participants **MUST** have their own riding helmet. **BIKE HELMETS WILL NOT BE PERMITTED. The only additional wardrobe needs for this program are smooth-soled riding boots.**

To register, simply complete the enclosed Horseback Riding Registration (front page) and Horseback Riding Waiver (back page.) The form and payment in full must be completed and returned to our office by May 1st.

All Good Wishes,
